

Joint 2022 SRR & Scottish AHP Forum  
Winter Conference

# *Rehabilitation Technology to support self-management*

**Date**

**Wednesday 9<sup>th</sup> November 2022**

**Location**

**Sir Jules Thorn Centre for Co-Creation of Rehabilitation Technology,  
University of Strathclyde, Glasgow**

*A unique opportunity to:*

*Hear from experienced research professionals working with Rehabilitation Technology, who provide hands-on experience with cutting edge rehabilitation technologies.*

*Engage in debate and discussion about how pioneering rehabilitation interventions can facilitate innovative clinical practice.*

*Speak with designers and users about their co-creation process providing the latest innovations to support the self-management of those with stroke and other long-term conditions.*

## **Conference Organising Committee**

Paula Leask, Service User, Chest Heart & Stroke Scotland  
Dr. Andy Kerr, Senior Lecturer, Biomedical Engineering, University of Strathclyde (host)  
Rhona Campbell (University of Strathclyde PhD researcher)  
Mrs. Gillian Capriotti, NHS Greater Glasgow & Clyde, Scottish Stroke AHP Forum (SSAHPF)  
Dr. Emma Coutts, NHS Grampian, SSAHPF  
Maisie Keogh (University of Strathclyde PhD researcher)  
Katrina McCormick, Deputy Head Professional Engagement, Chest Heart & Stroke Scotland  
Dr. Jacqui Morris, University of Dundee and Chair SSAHPF  
Prof. Anand Pandyan, Bournemouth University, President elect SRR  
Dr. Lisa Shaw, Newcastle University, SRR Junior Secretary  
Chioma Wodu (University of Strathclyde PhD researcher)  
Prof. Frederike van Wijck, Professor in Neurological Rehabilitation, Glasgow Caledonian University, SRR President, SSAHPF

## **Supported by**

Innervate Ltd – Neil Bindemann and Barbara Rudd  
Chest Heart & Stroke Scotland – Katrina McCormick

£58 for SRR & SSAHPF members,  
£90 for non members  
[\*\*BOOK NOW\*\*](#)

## Conference Programme

Time	Title and Speaker
08.30-09.15	Registration, Technology Exhibition, Poster viewing
<b>09.15-09.25</b>	<b>Welcome (Dean)</b>
<b>09.25-10.30</b>	<b>Symposium 1: The future of rehabilitation technology is here</b>
09.25-09.50	<b>The Sir Jules Thorn Centre for Co-Creation of Rehabilitation Technology</b> Dr. Andy Kerr and Prof. Philip Rowe
09.50-10.10	<b>Pioneering technologies for rehabilitation</b> Prof. Jesse Dawson
10.10-10.20	<b>Co-producing rehabilitation technology: an insider perspective</b> Mrs. Linda Hanlin
10.20-10.30	<b>Panel discussion</b> with Symposium 1 speakers
<b>10.30-11.10</b>	<b>Refreshments, Technology Exhibition, Poster viewing</b>
<b>11.10-12.10</b>	<b>Free paper session</b>
11.10-11.25	<b>Virtual Engagement Rehabilitation Assistant (VERA): reflections on using the principles of co-design to develop a digital health technology for rehabilitation.</b> Dr. Kathryn Jarvis
11.25-11.40	<b>Methods used to co-design a text message intervention to increase physical activity and exercise when post-stroke rehabilitation ends: The KATS study (Keeping Active with Texting after Stroke).</b> Dr. Linda Irvine
11.40-11.55	<b>Control of the stand to sit movement in acute stroke survivors.</b> Dr. Andy Kerr
11.55-12.10	<b>Assessment of low mood, distress, and depression in people with severe brain injury: a systematic review.</b> Ms. Alexandra Rose
<b>12.10–13.45</b>	<b>AGMs (SRR and SSAHPF) Lunch, Technology Exhibition, Poster viewing</b>
<b>13.45-14.15</b>	<b>Global Centres of Excellence in Stroke Rehabilitation</b> Prof. Marion Walker
<b>14.15-15.05</b>	<b>Symposium 2: Rehabilitation technology: So what?</b>
14.15-14.40	<b>Self-management after stroke – a Service User’s perspective (title tbc)</b> Mrs. Paula Leask
14.40-15.05	<b>Rehabilitation technology for clinical practice: a Therapist’s perspective (title tbc)</b> Dr. Gillian Sweeney
<b>15.05-15.25</b>	<b>Refreshments, Technology Exhibition, Poster viewing</b>
<b>15.25-15.45</b>	<b>Community Rehabilitation Alliance: outcome assessment</b> Dr. Euan McComiskie
<b>15.45-16.15</b>	<b>Free paper session</b>
15.45-16.00	<b>Interventions for perceptual disorders in stroke: what is the evidence base?</b> Dr. Christine Hazelton
16.00-16.15	<b>Development of VISUALISE, a self-management intervention tailored to the unmet needs of individuals living with stroke-related visual impairment</b> Ms. Ciara Ryan
<b>16.15-16.30</b>	<b>Celebrating 10 years of the Scottish Stroke AHP Forum: where did we get to, and where to next?</b> (Dr. Jacqui Morris, SSAHPF past Chair)
<b>16.30-16.50</b>	<b>Panel discussion: New models of rehabilitation delivery</b> All invited speakers

£58 for SRR & SSAHPF members,  
£90 for non members
